Dear David,

With regards to the recently completed Flash projects, I would like to thank you for your efficiency and professionalism on carrying out this project.

On behalf of everyone involved on the project at Nemisys, I'd like to say how delighted we were with how Bright AI was able to provide us with the completed Flash applications, well within the overall timeframe and on understanding the requirements for this development to be a success.

We shall look forward to collaborating on future projects together and wish you well for the future.

Yours Sincerely
